SOBRE 202. 1887. 10 cts rosa (recortado sobre una tarjeta). SAN SEBASTIAN a SHANGHAI (CHINA). En el frente llegada. BONITA Y RARO DESTINO.

Avenida 40, S. Sebastian, 3rd May, 1887.

Dear Halsey:- On the 11th Feb. I wrote to you; since then I have Recd. your letters of the 15th & 23rd Feb. & the 11th March, with their many enclosures. Of the 30 pages (more or less) of Julia's journal that you sent in yours of the 23 Feb. I had Recd. from her some 20 of the first leaves, but none of the later numbers. It is very interesting. — Alice left here for the U. S. on the 27th Apl. and will probably sail from London on the 10th of this month. She goes in the interests of this school and will probably return in July or Aug.. She is not very well, but much better than she was a year ago, & I hope that this journey will do her good. — though I am afraid that it will be too full of work for that.
