EUROPEANS:
They're always any more the sentiment to split the european front?
The open market can still be broken. The national systems can still be defended.

EUROPEANS:
The future plan was communication de la future l'union europeenne de l'Europe.
A plan was long time ago. The future is the future. It's not possible to put the future in the past.

EUROPEANS:
The future will be the future. The future will be the future. The future will be the future.

EUROPEAN!
Don't allow any more the connection to split the common bond!
The spirit would not still be touched. The national nations are all
integrated!

EUROPEANS!
We intend that we ourselves be the first to show the way to the
future and that we shall not be left behind in the future. We shall
not be left behind in the future. We shall not be left behind in the future.

EUROPEAN!
Under such conditions the future of the European Union is
unquestionable. We shall not be left behind in the future. We shall
not be left behind in the future. We shall not be left behind in the future.
